REMARKS

East division school spring term was taught by Grace E. Graves, fall term by Ruth E. Safford, winter term by O. P. Williams. They were all good teachers and did excellent work.

Center division spring term was taught by Pearl B. Morgan, fall and winter terms by Mabelle E. Steele.

Marshall division spring term was taught by Cora E. Roundy, fall and winter terms by Eurette F. Fletcher.

LaClair division spring, fall and winter terms by Emma G. Hooper. The pupils in these schools have made good progress during the year and much might be said in praise of the work done by both teachers and scholars.

Quaker City division spring term was taught by Grace B. Dana, fall and winter by Eva B. Magown.

Church division spring term taught by Mabelle E. Breed, winter term by Sadie M. Rich.

County division spring term taught by Sydney B. Converse, fall term by Anna B. Wright, winter term by Edith C. Howe and Grace A. Safford.

The attendance in a part of our schools has been very good during the past year, and in others, for various reasons, it has not been what it should be.

We would suggest that parents visit their schools more, not to find fault, but to encourage the teacher, and by showing an interest in the welfare of the school, they will help the children.

Encourage and help them to attend school regularly and not allow them to be absent without some good reason. Several perplexing questions in connection with the schools have arisen this year, which has made it quite hard for your committee and if they have not been settled to the satisfaction of those concerned, we have done "according to the best of our ability."

HATTIE E. SMITH,	}	School Board of Unity.
GRANVILLE W. MORGAN,		
FRED L. GOULD,		

Having examined the financial report of the treasurer and school board for the year ending Feb. 15, 1904, I find the same correct with proper vouchers.

CHARLES R. JONES, Auditor.
